

Temporary Permit Application Historic Vehicle

The issuing of permits is at the sole discretion of the chairman of either the Motorsport Australia Historic Eligibility Committee or the Motorsport Australia Historic Production Based Eligibility Committee.

The requirements for a Temporary permit are:

For a vehicle applying for a Historic log book, Historic Technical Passport and/or a Certificate of Description

- A completed application for a Historic Certificate of Description, Historic Vehicle Log Book and/or Historic Technical Passport has been submitted and accepted by Motorsport Australia (Historic Discipline) and is being process at the time the event entry is submitted
- The issue of a permit is conditional upon by an accredited scrutineer signature of a scrutineer's declaration, which must be submitted before a temporary permit will be considered

Overseas vehicles

- The Motorsport Australia policy for 'overseas' vehicles is: The presentation of documented evidencing of the eligibility of the vehicle in its country of origin to be presented to Motorsport Australia at least six weeks prior to the event (eg, FIA HTP)

For all vehicles

- Supply a copy of the Supplementary regulations of the meeting

Issuing of a permit

- By email of a PDF to yourself and the senior officials at the meeting three days prior to the commencement of the meeting.
- If you can fulfil the above requirements fill in the below application, and email to the contacts listed under the historic contacts on our web page, or historics@motorsport.org.au
