In the event of a race not being held, or being declared at less than 2 laps, no points will be allocated.

The organisers reserve the right to exclude certain races from counting towards the overall series point-score, when special events are held as part of series rounds. This will be stated in the Supplementary Regulations or Further Regulations for any event.

8. ENTRIES AND FEES

As per NCR 33, the entry fee for each meeting will be listed in Supplementary Regulations for that meeting.

9. BRIEFINGS

Each Driver must attend the entire Drivers’ Briefing. The time and location of this briefing shall be detailed in the Supplementary and/or Further Regulations for the meeting. Should State Health requirements prohibit in-person Drivers’ Briefings then the Drivers Briefing notes will be sent electronically prior to the event. These must be acknowledged via a read receipt. The read receipt confirms understanding and acceptance of the Drivers Briefing Notes.

10. TIMING: DATA -1 TRANSMITTER

Unless otherwise specified in regulations for an event, each competitor must have an operating Dorian DATA-1 timing transmitter or similar fitted to each competing automobile anytime the race vehicle is on the track. Any competitor without a working transmitter may not have times recorded and may be allocated a grid position at the rear of the field. The transmitter is to be fitted to formula cars in the position agreed to by the appropriate category management; for all sedan-based automobiles that position shall be the left front footwell or right front footwell for left-hand drive automobiles or as specified in the category regulations. Data 1 transmitters are available from Dorian Industries, 6/29 Graham Court, Hoppers Crossing, VIC, 3129.

11. GRIDS

The organisers reserve the rights, when categories/class entries are less than grid capacity, to combine categories/classes on grids.

12. STARTING PROCEDURE

Unless otherwise specified, all races will commence with a Non-Championship Start using a massed grid, standing start or rolling start as described in the RMSR in the current Motorsport Australia Manual. At the organisers discretion, the combined categories may be started,

- mass start
- Category/Class staggered/delayed starts
- or a combination of both

13. SUBSTITUTION OF NOMINATED DRIVER

Prior to the commencement of the qualifying session at each round of the Series, a Competitor may nominate a substitute driver who may be permitted to compete in the remainder of the meeting subject to the approval of the Clerk of Course and Stewards of the Meeting.

14. REPLACEMENT AUTOMOBILES

Any automobile that has been entered to compete in a State Championship category may not be replaced with another automobile following the commencement of the first qualifying session for that automobile.

Any automobile that has been entered to compete in any non-State Championship category may under extra-ordinary circumstances and with the permission given by the Clerk of Course in consultation with the Stewards of the meeting be replaced with another automobile following the commencement of the first qualifying session for that automobile.

15. ADDITIONAL REGULATIONS

Further information necessary for the conduct of the State Championship Series may be conveyed in the Supplementary Regulations, Further Regulations and/or Bulletins that are issued from time to time.

16. OH&S POLICY

The events will be conducted under and in accordance with Motorsport Australia OH&S and Risk Management Policies, which can be found on the Motorsport Australia website at www.motorsport.org.au.
