

Automobile Log Book

Historic - New Application

This application is for Group N or S logbook classification. Full detail is required; in cases where insufficient space is available please add an additional page to furnish the information. If the vehicle has an existing logbook, the book is to be included with the application. The original log book will be cancelled and returned to the applicant. A new Historic log book will be issued.

All fields to be completed in order for a log book application to be processed and issued. Please submit this application to:

historics@motorsport.org.au or **Motorsport Australia, PO Box 172 Canterbury LPO, VIC 3126**

Vehicle Specification

Vehicles must comply with the following relevant Motorsport Australia Manual Historic Appendix Eligibility Rules:

(c) General Requirements, (f) Historic Touring Cars or (g) Historic Production Sports Cars, and Equipment Standards and Guidelines

Motorsport Australia have produced Specification Sheets as a reference for most cars eligible for Groups N and S.

These can be found at motorsport.org.au/regulations/logbooks

In cases where the vehicle is not covered by a Motorsport Australia Specification Sheet, the applicant should discuss the specification of the car with the Historic Eligibility Officer. If necessary, the applicant may be required to create a Specification Sheet using information from manufacturer's specifications, FIA homologation papers, Workshop Manual, and other relevant period documentation.

This vehicle complies with the relevant regulations:
