

Group 3E Recognition Application

For an Automobile to be recognised for Group 3E, an application is to be submitted to technical@motorsport.org.au that details and confirms the eligibility criteria as per [MOTORSPORT AUSTRALIA Manual; Circuit Race Appendix - Group 3E Production Car Technical Regulations, Article 2. ELIGIBILITY.](#)

Regulations available at motorsport.org.au (motorsport.org.au/regulations/manual/race)

The onus is on the applicant to submit all required information for eligibility to be assessed.

The following are examples of the information required as per the regulations:

- Road Vehicle Certification System (RVCS) or Road Vehicle Standard (RVS) published by the Australian Government Department (Dept.)
- Price being defined as the Manufacturer Suggested Retail Price (MSRP) before on-road costs (as provided on redbook.com.au)
- A minimum of 100 examples of the specific model/variant of the Automobile must have been registered in Australia
- Optional components shall only be considered for approval if the component is a genuine manufacturer option that complies with one of the following requirements:
 - the component is listed on the relevant Automobile's Road Vehicle Descriptor (RVD) as published by the Dept. or,
 - the component is listed and authorised by the original manufacturer in official Australian sales literature, for fitment at time of manufacture/delivery and to which a manufacturer's warranty applies
 - Conditions for an option to be approved, as per the regulations, are met

Once the initial application is authorised by the Motorsport Australia 3E Technical Committee, a Recognition Document is then required. Motorsport Australia will provide the Recognition Document template, and the onus is on the applicant to complete the Recognition Document and submit for final approval of the Automobile for Group 3E.

Approval for recognition of an Automobile for Group 3E is at the discretion of Motorsport Australia.

A non refundable application fee for a Motorsport Australia 3E Recognition Document is \$250.00, payable on application and does not constitute an approval.
