The Guidelines for allocating QLD Circuit Racing State Championship Competition Numbers

The application of a competition number is for competitors entering the Queensland Circuit Racing State Championship.

No fees apply to this application.

A competition number will only be allocated to holders of a current Motorsport Australia Circuit Licence or Competitor Licence and who hold a Motorsport Australia vehicle logbook.

Allocations are valid indefinitely. However, numbers will automatically be considered released if the competitor has not held a competitive Motorsport Australia license in the preceding two years.

Unlike in previous years, triple digit numbers will be made available only if single/double digits are not available.

Number's commencing with '0' are not permitted.

Preference will be given to a national allocated number or a number of historical significance. These will be considered on an individual basis.

Numbers will be allocated for the vehicle categories listed in the current years Qld Circuit Racing State Championship Sporting Regulations published on the Motorsport Australia website at <https://motorsport.org.au/regulations/sporting-technical/queensland>

Event Organiser's reserve the right to change the Qld allocated number at their sole discretion.
